# Correction to: Habitat selectivity of fresh water fishes of two second-order tropical streams in Tigray, Northern Ethiopia

Solomon Tesfay\*, Mekonen Teferi and Haileselasie Hadush Tsegazeabe

## Correction to: *J Ecol Environ*

<https://doi.org/10.1186/s41610-019-0107-6>

Following publication of the original article (Tesfay et al., 2019), it was reported that in the *Background* section, paragraph 4, the word “habitat presences” should be “habitat preferences”. The sentence should read: “In addition, we tried to study the quantitative measures of microhabitat use and factors associated with the fish habitat preferences and the streams nature.”

Additionally, Fig. 1 was not correctly processed. The correct figure is given below.

Please note that the in-text reference to Fig. 2b should be replaced with Fig. 3.

The original article (Tesfay et al., 2019) has been corrected.
